Dealer Referral Program

Dear Shop Manager,

Our customer who is intending to order from us direct would like to refer your shop to us. We are Pedal Force, a carbon bicycle OEM. We are currently looking to expand our dealer network in the USA and Canada. We would like to introduce you to our exciting range of carbon road frames, forks and seatposts. If you agree, we will send you our **Dealer Information Pack** for your consideration. Simply return the attached form to us with your shop information. There is **no obligation** to sign up as a dealer.

Our customer has agreed to have us deliver his/her order to your address, together with the dealer information pack. So you can have a good look at our products. We hope you will be impressed by their quality.

As a gesture of appreciation for participating in our Dealer Referral Program, we will give both the customer and the shop **US\$50** each. The customer will receive the \$50 in the form of a cash rebate on his order. The shop will receive a \$50 check together with the Dealer Information Pack.

Yours sincerely,

Ming Yong
